

Preschool Palm Tree Newsletter

We had so much fun much fun playing dice and danced along to counting songs.

We used playdough to create funny shapes.

Activities Covered:

This week was **Fun Week**. What a fitting topic to end our year! As the school year draws to a close, we reflected on the friendships we have developed over the year. The fun times we have had and the learning experiences we have shared. We have come a long way from the beginning of the year. We participated in lots of fun activities to make our last week a memorable one.

On **Sunday**, we listened and discussed different types of rain: light, heavy, and thunderous. Then we made 'rainmakers' out of water bottles and put rice inside to curate the sound of rain.

On **Monday**, we had so much fun working on volcano eruption experiment and discussed about dinosaurs' extinction. It is always an exciting experiment!

On **Tuesday**, we got creative and used playdough to make amazing monsters. We also made shapes and turned the shapes into our favourite monsters by adding details like eyes, nose, arms, and legs.

On **Wednesday**, we had some fun party games, we played musical chair, paper towel rainbow and we had our freeze dance.

Today, we enjoyed a farewell party with our friends and said our goodbyes for the Summer. It was a fantastic last day to spend with everyone. We have had a lot of fun and made beautiful memories during this academic year.

We look forward to the next year in Reception.

Upcoming Activities:

We cannot believe it is the end of the year already. Where did the year go? The saying that time flies when you are having fun is very true. What a fantastic year it has been! It has been great to see how far the children have come along since they entered the classroom from day one.

Sometimes we sit back, and we just cannot believe the changes in the children. We have all worked very hard throughout the year and have achieved so much. We all deserve a pat on our backs for working so hard and giving our very best. We couldn't have achieved all this without the support from home too, so thank you so much, Mums and Dads, for all your help, patience, and understanding. We have all had a very fruitful year which has set us in a good standing for our transition to the big school.

Ms Mary Jane and I would like to wish each one of you the best of luck for the future. You will all be greatly missed!

We hope you all have a lovely summer break. Enjoy every minute of it - you deserve it. It was a joy having you all in the class. We will miss you all so much!

We had fun creating our own monster using playdough and various decorations.

We had a surprise visit in our classroom from an upside-down clown who came to enjoy our end of the year party.

Tips for home:

- Please ensure your child gets to bed at a reasonable hour so he/she is ready to learn when they get to school.
- Display your child's work from school to help build a sense of pride in their accomplishments.

My values draw my identity:

- I keep myself safe and the safety of others (at home, kindergarten, school, and on the street).
- I help others.

It was amazing sharing our food with friends and teachers. We are looking forward for more in our next academic year

Upcoming Events:

Summer Holiday!

The school will be closed for the summer holiday from the 16th of June until the 29th of August!

We had popcorn and ice cream and so much today.
