Last week was all about China we all looked the part dressed up in our Chinese attire.

Parade Time! We enjoyed walking and showing off our Chinese theme to the other countries.

Activities Covered:

Taking to the skies was amazing! **International Week** has taken us around the world in three days! We went to see what was happening in **Mexico** and **China**, as well as **India** and **France**.

Last week, we visited 2 different countries: **China** and **Mexico**. We learned many things about the cultures and traditions of those countries and where they are in the world.

On **Sunday**, we worked on a PowerPoint about each country and learned about the different languages, famous landmarks, food, traditional clothes, and currency.

On **Monday**, we listened to a traditional folk tale from China called 'The Empty Pot' and from Mexico, we listened to the stories 'Pollito Tito (Chicken Little)' and 'El Pájaro y la Ballena (The Bird and the Whale)'. We also made a craft unique to each country, which was a fan from China and a pinata from Mexico.

On **Tuesday**, we came dressed in the colours of the flag or traditional clothing of each country and participated in the parade. After that, we travelled with our passports around the school to get them stamped from all the different countries participating in the international week. We also decorated the flags of **China** and **Mexico**.

On **Thursday**, we came to school dressed in our own country's attire or flag colours and enjoyed an international feast of foods unique to our own country. We also played different traditional games from **China** and **Mexico**. Some were familiar and some were new to learn.

We learned that we don't have to travel only to relax but we can enjoy and learn more about the countries culture, foods, and historical values to help us understand and appreciate our similarities as well as our differences.

It was an amazing week learning about different cultures and traditions around the world.

Upcoming Activities:

This week we'll come home to dive into our culture and traditions here in **Qatar** in **Qatar Week**. It's only fitting as the Qatar National Day approaches. We will learn some famous traditions of Qatar as well as celebrate its culture.

On **Sunday**, we will watch a PowerPoint and learn about the different languages, famous landmarks, food, animals, traditional clothes, and currency of the country.

On **Monday**, we will take part in the Qatar National Day Celebrations coordinated by our Arabic Staff Teachers. All parents are welcome to come and watch us perform various aspects of the Qatari culture.

On **Tuesday**, we will listen to a story unique to Qatar and learn of the meaning behind the flag.
